

Located along the historic Trans-Canada Highway with access to Sarcee Trail and Bowfort Road, Trinity Hills in Calgary serves as the Western gateway between this major city and the Rocky Mountains. Trinity Hills will accommodate a diverse community of residents with over 3,700 residential units of which over 1,700 are now under construction. Owing to the exceptional demand for Trinity's existing rental units, construction has commenced on an additional 178 units with completed expected in 2025.

The residential is bookended with two retail components totaling over 290,000 SF, and is estimated to generate over 2,000 jobs for Calgarians. Town Centre is the grocery anchored component with Save-on-Foods, PetSmart, Bulk Barn, Dollarama, and Olympia Liquor. Primo Massage Therapy recently opened, and Little Oaks Daycare is coming soon. In the Gateway portion you will find yourself in the lifestyle component of the development, anchored by GoodLife Fitness, Sofa Land, and Beam Radiology. Anchor tenants are now open accompanied by St. Louis Bar & Grill, Easy Financial, Papa John's, and Telus, amongst others. With more retailers slated to open and take possession over the next few months, don't miss the opportunity to join the national retail mix in units of various sizes, including units with patio potential!

The excellent connectivity via surrounding major roadways provide easy access to all of Calgary's top destinations: 15 km to downtown, 7.5 km to the University of Calgary, and only 2 km to Canada Olympic Park, a destination that attracts millions of visitors every year.
